

Bridging Maritime Commerce & Conservation

The North American Marine Environment Protection Association (NAMEPA) is a marine industry-led organization of environmental stewards preserving the marine environment by promoting sustainable marine industry best practices and educating seafarers, students and the public about the need and strategies for protecting global ocean, lake and river resources.

Save Our Seas

North American Marine Environment Protection Association

NAMEPA

STEWARDSHIP

We aim to bring together industry professionals, students, communities, seafarers, conservationists, and regulators to promote responsible practices.

SUSTAINABILITY

We empower the industry and propel workforce development towards a more sustainable future.

SUPPORT

We provide vital support to the maritime industry in achieving its goals, emphasizing a commitment to industry advancement.

EXCLUSIVE NAMEPA MEMBER BENEFITS

Industry Promotion

Actively showcase the crucial role of maritime in global commerce, enhancing industry visibility and growth.

Stakeholder Collaboration

Participate in collaborative synergy where commercial entities, regulators, conservation organizations, educators, students, and the public come together for shared success and collective impact.

Workforce Development

Actively participate in maritime workforce development shaping opportunities for the next generation of mariners.

Marine Environment Awareness

Experience and contribute to a holistic approach to instill the importance of protecting the marine environment for a sustainable future.

Regional, National & International Participation

From regional, national and international participation, unlock a world of limitless opportunities for exponential growth and success.

The value of a
NAMEPA
membership

Be a catalyst for positive change. By supporting the maritime industry and environmental protection, you not only contribute to global sustainability but also bring tangible benefits to communities through educational and economic development. Together, let's make a lasting impact on both the industry and the world we live in.

Additional
benefits!

CONFERENCES & SEMINARS

Expand your network with industry professionals and regulators on a global basis to accomplish common goals.

Including:

- Marine Operations Seminar, Houston, TX
- Safety at Sea, AMVER & Benkert Awards, Washington, DC
- Marine Environment Protection Annual Conference and Awards Dinner

SUSTAINABILITY SUPPORT

MARITIME ESG INITIATIVES

Integrate strategic ESG principles to empower your operations and meet stakeholder expectations through:

- NAMEPA Maritime Sustainability Passport® (MSP) Program which remains the only assessment program designed specifically for the maritime industry featuring all three elements of sustainability - the E, the S, and the G.
- ESG Workshops for your organization to gain the tools needed to navigate and excel in the evolving landscape of sustainable global maritime practices, ensuring long-term success and positive societal impact.

INDUSTRY EDUCATION & OUTREACH

Equip your team with knowledge and skills to navigate Marine Environment Awareness and MARPOL requirements, fostering a culture of environmental responsibility and compliance excellence through NAMEPA's:

- Marine Environment Protection & Awareness program, designed to educate, inspire, motivate, and empower the maritime sector to protect the marine environment, comply with regulations, and be proactive in using best practices.
- MARPOL - Operation Compliance Training for seafarers and shoreside personnel to elevate their understanding of MARPOL and compliance.
