

NAMEPA MEMBER PORTAL FAQ

MISSION

Save Our Seas!

Preserving the marine environment by promoting sustainable maritime industry practices and educating the public to Save Our Seas.

SET-UP

How to get started?

You'll receive an email with a link to create your profile. Once logged in, visit the **Member Portal Home** to explore the directory, forums, and exclusive resources!

If you'd like to access the Portal on your mobile/tablet, please download the App: **Member Plus App by Micronet Inc.**

WHO

The portal brings together

- Maritime leaders
- Seafarers
- Associations
- Ports, terminals, and operators
- Education and communications leaders

All members share a commitment to active maritime-industry involvement.

WHAT

What is it?

The Portal is a **private, members-only** platform designed to connect maritime professionals, showcase member initiatives, and share exclusive NAMEPA resources.

BENEFITS

What's Behind Your Login?

1. **Member Directory:** Designed for peer connection and collaboration
2. **Forum Discussions:** Facilitated blog-style discussions on key maritime topics
3. **Networking**
4. **Shared Event Calendar**
5. *Coming Soon:* Exclusive Case Study Library
6. **And so much more!**

FREQUENTLY ASKED QUESTIONS

EXCLUSIVE

Why is this portal exclusive to members?

This space is intentionally private to encourage open exchange, professional collaboration, and recognition among like-minded professionals actively involved in the maritime industry. This exclusivity ensures that your discussions and resources remain highly valueable.

FAQs

1. What do I get access to?

What changes is the depth of access — more visibility, more intelligence, and more meaningful interaction with like-minded maritime professionals. While NAMEPA's public resources remain available to everyone, members will gain exclusive access to the following resources listed below.

2. How do I connect to other members?

Use the **Member Directory** to search for members by name, organization, expertise, or location. From a member's profile, you can send a direct connection message through the portal's internal messaging system. We also encourage you to introduce yourself and your professional interests in the **Professional Hub** forum to **spark conversations**.

3. Can I add my organization's events to the calendar?

Yes! A key feature of the portal is the Shared Calendar of Events. Members with Primary User access can submit relevant industry events—such as conferences, workshops, or webinars—for approval and sharing with the entire NAMEPA community. Look for the “Submit an Event” button on the calendar page.

4. What is the difference between the forums?

Each forum has a distinct focus:

- **Professional Hub:** For networking, sharing career journeys, and collaboration.
- **Forecast to 2050:** A monthly, focused discussion on the future of maritime energy and innovation.
- **Mission Forward:** For actionable discussion on sustainability projects and marine protection strategies.
- **Ocean Health Briefings:** For updates on the latest research and initiatives.
- **General Q&A Harbor:** For getting official answers from the NAMEPA team on administrative topics.
