May 20, 2026 | 1330 hours

ABS Office - 80 M St SE, Washington, D.C.

The U.S. Maritime Action Plan (MAP) aims to enhance maritime workforce education and training to support the growing maritime industry. Collaboration among industry, education, and training organizations is essential to develop the skilled workforce necessary for maritime commerce, national security, and economic growth.

NAMEPA's Washington, D.C. Metro Regional Gathering & Workshop unites maritime leaders, educators, policymakers, and workforce development partners to discuss strategies for expanding career pathways and strengthening training opportunities.

By sponsoring this event, your company will:

- Demonstrate leadership in advancing workforce priorities of the U.S. MAP
- Engage with industry leaders and policymakers
- Showcase commitment to building the future maritime workforce
- Align with efforts to strengthen the maritime talent pipeline

Sponsorship supports the collaboration needed for a resilient and skilled maritime workforce.
